## Description

HOT! HOT! HOT! Not to be missed..... This is the best on the market!

Very motivated Owners. All serious offers considered.

'Galini' is an exceptional example of the Beneteau Oceanis 45. She was built in 2013 and has been meticulously looked after and maintained by her current owners. She is often seen cruising the waters of Sydney Harbour and lately up and around Pittwater.

If relaxing and enjoying our great waterways is what you are after, then this is the yacht for you. She is super spacious and her self-furling genoa and mainsail set up make her a breeze to sail.

Some of her recent upgrades include:

- New stainless steel davit for tender
- New Starlink system
- New Victron 16 Multiplus inverter/charger
- New furler LS180
- New E propulsion SPIRIT 1.0 Plus Electric outboard short shaft & fast charger

'Galini' is fitted with SIMRAD instrumentation, a bow thruster, 2 fixed solar panels, one electric Harken winch and auto pilot, just to name a few of her desired qualities.

The owners are so proud of their beautiful yacht and are happy to answer any questions and are even offering Vendor Finance if required\*.

We invite you to come and take a look at this beauty. She is located at Bobbin Head. Please don't hesitate to call Cathy and the team at Sydney Marine Brokerage for more information.

\*Conditions Apply
