Description

Introducing 'Alice', this gorgeous old girl has just had a full refurbishment completed, and is in turn key immaculate condition.

The photos do not do her justice, this stunning vessel features excellent headroom, an inviting cockpit with a very comfortable day longe/bed, and a roomy forward peak berth.

Powered with a 30hp Nanni diesel, recently serviced she cruises along comfortably at 5.5knots, probably using about 1.5l/h, or less.

The cockpit is well protected from the elements with a very easy to use Boom Awning and access to the Bow a dream with plenty of room to walk around the side decks.

A special Timber Cruiser is 'Alice' and one that just won't last long on the market, she is easy to view, located on the Marina at the RPAYC, wonder past and have a look, and if interested please contact SMB today for further information or to organise a viewing.

Features

Water (Potable) Capacity (l)	30
