Description

If you are looking to start your own Charter business or wanting to add another boat to your fleet, you can't go past the Steber 3800 Sports Fisher.

These boats need no introduction, they are renowned as one of the most respected all-family owned and operated boat building companies in Australia. This boat doesn't just simply follow the rest of the 12 metre sports boats. It takes a fairly serious aim at the sports fishing and charter/commercial boat market primarily, but at the same time doesn't ignore the family and recreational boat buyer. From your initial jumping aboard you get the feel of just how well built she is, and more importantly you feel just how stable she is.

With a game chair and tuna door to the stern, this boat has landed some very large game fish and is as much at home out on the shelf as she is up the estuary. The spacious aft deck also doubles as the perfect spacious hang out for a social outing.

- Brand new Cummins QSB 6.7 350Hp Engines in 2022
- Full rebuild of the gear boxes in 2022
- Only 547hrs
- In survey for 2C and 2D
- Fishing charter license available for Estuary / Game / Near Shore Bottom / Deep Sea
